The mission of Women's Global Empowerment Fund is to support women through economic, social, and political programs, creating opportunities while addressing inequality; strengthening families and communities.

Moving forward into 2020, we need your help to continue providing opportunities and resources to women and girls. Please consider a year end gift to our Annual Fund effort, ensuring the fight for equality, dignity and justice continues.

Our focus for 2020 includes:

- Expand and highlight the **Access to Justice Initiative's** work to facilitate community dialogue and action on issues of human rights and reducing child marriage in northern Uganda.
- Fully supporting the **Healthy Periods Initiative**, providing consistent resources and education to schools across and refugee camps across the region.
- Support **women entrepreneurs** in creating successful and viable businesses.
- Expand **literacy opportunities**; this critical program has shown to have important outcome on self esteem, agency, business viability, and communication.

"More women are inspired to become leaders, which balances the level of inequality between men and women." - Maureen, Community Leader
